

Online briefing on
Interreg Europe in 2021-2027

18 November 2021, 10:00-11:00

for the European Committee of the Regions

Interreg Europe helps regional and local governments across Europe to develop and deliver better policies. This on-line briefing will present the key features of the new Interreg Europe programme in the 2021-2027 programming period. Representatives of the Interreg Europe's joint secretariat will present highlights of results and benefits of interregional cooperation and novelties of the next generation of the Interreg Europe programme. There will also be time for questions and discussion during the session.
